3 DELETED FROM THE 1974-75 STATE BUDGET FOR
4 CONTINUATION OF MENTAL HEALTH SERVICES

5 WHEREAS, San Franciscans are highly conscious of the need for

13 he blatantly excluded funding of mental health aftercare programs and
14 recognition of inflationary realities faced by these programs; and

15 WHEREAS, the State Legislature, when it convenes next week,
16 will consider a supplementary bill which would restore 17.4 million

RESOLUTION URGING OPPOSITION TO SB 1652 WHICH WOULD INCREASE BUSINESS INVENTORY TAXATION AND REQUEST REIMBURSEMENT TO THE CITY AND COUNTY OF SAN FRANCISCO BY THE STATE OF CALIFORNIA

WHEREAS, SB 1652 has passed both the Senate Revenue and Taxation Committee and the Senate Finance Committee as well as the California Senate and is set for hearing on August 19, 1974, by the Assembly Revenue and Taxation Committee, and

WHEREAS, it appears that the dangers of revenue loss to local government inherent in said bill have escaped the attention of the Senate, and it appears imperative that such dangers of fiscal loss be brought to the attention of the California Assembly, and

WHEREAS, an analysis of said bill discloses that a conservative estimate of local government tax loss could be a cumulative \$14 billion by 1980-81, by reason of the failure of the State to reimburse local governments in the full amount of the exemption said bill proposes to grant to business inventories, and

WHEREAS, said analysis of the bill reveals that the savings to be realized by reason of the increase in inventory exemptions would redound mainly to large and lucrative businesses rather than to the small, independent merchants, the State Board of Equalization data disclosing that in Los Angeles County 70.38% of the gross assessed value of business inventories are located on properties with a market value above \$400,000, and 46% of all business inventory assessed value are located on properties with a market value above \$2,000,000.00 and

WHEREAS, the failure of the State to reimburse local government to the extent of the full costs of the proposed exemption under SB 1652 would result in a major tax shift to homeowners and other taxpayers with low inventory tax exposure, and

WHEREAS, there is good reason to doubt that the tax savings to business under the proposed increase in inventory exemption would be passed on to the consumer in terms of lower prices, now therefore be it

enacted by the

RESOLVED, That this Board of Supervisors urges opposition to the passage of SB 1652 unless and until such time as it is amended to provide for full reimbursement by the State of California to local governments of the amounts of business inventory tax exemptions it would provide, and requests that copies of this resolution be forwarded to his Honor the Mayor, to the Governor, to our legislative representative in Sacramento, and to local representatives in the Senate and the Assembly of the State Legislature.

1 IN MEMORIAM, JOHN F. SHELLEY

2 WHEREAS, The hearts of all San Franciscans have been immeasurably saddened by the death of John F. Shelley, warmly respected and affectionately regarded former Mayor of the City and County of San Francisco; and

3 WHEREAS, The passing of John F. Shelley brings to a close a most distinguished career of accomplishments and activities which included not only service as a progressive and courageous Mayor, but also as a member of the United States Congress, a member of the California State Senate, and a pre-eminent representative of the labor movement in San Francisco and throughout California, where his guiding spirit in countless civic and humanitarian movements were of immeasurable benefit to all people; and

4 WHEREAS, The death of John F. Shelley has taken from the community an outstanding citizen whose character and competence were of marked superiority, a man whose service as a public official far transcended the bounds of duty, and a kind, considerate and courageous gentleman whose creed was a simple one, finding expression wholly in good works; and

5 WHEREAS, The deep sorrow felt by those legions from all walks of life who were privileged to know, admire, respect and love John F. Shelley during his lifetime, is tempered by the recollection of his exemplary and eminently productive career which may well serve as an inspiration to those who follow him; now, therefore, be it

6 RESOLVED, That the members of the Board of Supervisors of the City and County of San Francisco, noting with profound regret and a deeply sorrowful sense of civic and personal loss the passing of John F. Shelley, does adjourn its meeting this day out of respect to his cherished memory; and, be it

1 URGING THE GOVERNOR TO SIGN SB 1966 RESPECTING THE EXTENSION OF THE
2 ONE-HALF CENT SALES TAX FOR BART; AND REQUESTING THE GOVERNOR AND
3 THE STATE LEGISLATURE TO TAKE ACTION TO UTILIZE OTHER SOURCES OF
4 REVENUE FOR FINANCING BART SO THAT THE ONE-HALF CENT TAX OVERRIDE
5 MAY BE TERMINATED AS SOON AS POSSIBLE.

6
7 WHEREAS, The San Francisco Bay Area Rapid Transit District
8 (BART) affects the lives of several million people living in the
9 San Francisco Bay Area; and

10 WHEREAS, Despite all of its vicissitudes, delays and uncontem-
11 plated costs, BART represents the first major effort in many years to
12 establish in the United States a fixed-rail, mass-transit system; and

13 WHEREAS, The concept of a mass-transit system in the San Fran-
14 cisco Bay Area has been discussed for over three decades; and

15 WHEREAS, Such system is commencing trans-bay operation this
16 date, and such operations are scheduled to be extended from a stand-
17 point of hours of operation by January 1975; and

18 WHEREAS, Such system faces a financial crisis which will, in
19 the estimate of knowledgeable state and local public officials, force
20 it to abandon service by the end of 1974 unless further revenues are
21 available; and

22 WHEREAS, Despite its offensiveness to many people and elected
23 public officials, the extension of the present one-half cent sales
24 tax override in San Francisco, Alameda and Contra Costa Counties as
25 embodied in SB 1966 is the only means immediately available to prevent
26 the discontinuation of BART operations; and

27 WHEREAS, Such a discontinuation would be a most disheartening
28 event in terms of the hopes of the residents of San Francisco,
29 Alameda and Contra Costa Counties, and represent a collapse of a
30

1 system which has been so long in its inception and construction; and
2 WHEREAS, SB 1966 has passed both houses of the State Legislature
3 after thorough investigation and inquiry into the financial condition
4 and operational status of BART; now, therefore, be it

5 RESOLVED, That this Board of Supervisors of the City and County
6 of San Francisco does hereby urge the Governor of the State of
7 California to sign SB 1966 in order to assure the continued operation
8 of BART; and, be it

9 FURTHER RESOLVED, That the Governor of the State of California
10 and the State Legislature are hereby requested to initiate speedy
11 action at the next legislative session to utilize other sources of
12 financing for BART, such as tidelands oil revenues, bridge tolls
13 money, motor vehicle in-lieu taxes, the state general fund, or
14 sales taxes on gasoline, in the place of the sales tax override,
15 with the intent of terminating the one-half cent override as soon
16 as possible; and, be it

17 FURTHER RESOLVED, That copies of this resolution be transmitted
18 to his Honor, the Mayor, for transmittal to the Governor of the State
19 of California, and to the State Legislative Advocate for presentation
20 by the latter to the members of the San Francisco delegation in the
21 State Legislature, with the request that all necessary action be
22 taken to effectuate the intent of this resolution.

CALLING UPON ALL CITIZENS AND AGENCIES OF THE CITY AND COUNTY OF SAN FRANCISCO TO JOIN PROMPTLY AND EFFECTIVELY IN THE RELIEF PROGRAM TO AID THE HURRICANE VICTIMS OF HONDURAS

WHEREAS, All San Franciscans have noted with deep shock and pronounced feelings of sympathy the devastating results of the hurricane and accompanying floods which have struck Honduras, leaving in their wake untold thousands of persons dead, hundreds of thousands more homeless, and the nation's agricultural crops almost totally destroyed; and,

WHEREAS, The concern and empathy of San Franciscans is heightened by the recollection, personal or otherwise, of another natural disaster, an earthquake, which struck this City and its inhabitants in 1906 and which evoked a massive outpouring of material assistance from people throughout this country and the entire world; and,

WHEREAS, The terrible catastrophe in Honduras, which has washed away entire towns and villages and left heartbroken members of families struggling for survival, calls out for all the immediate and constructive help which can be given by those who are more fortunate and who are in a position to assist those whom tragic circumstances have reduced to bare subsistence; and,

WHEREAS, Many citizens of San Francisco have already responded to the call for donations of blankets, non-perishable foodstuffs, clothing and medical supplies, and to the fullest extent possible, the City desires to participate through its corporate and official sources, in relieving the suffering of the survivors of Honduras, both immediately and in the difficult months to come; now, therefore, be it

RESOLVED, That the Board of Supervisors of the City and County of San Francisco, for and on behalf of all the people, does hereby urge all citizens and organizations to volunteer their prompt,

FURTHER RESOLVED, that a copy of this resolution be transmitted to the Honorable Guillermo P. Caceres, Consul General of Honduras in San Francisco, as an expression of the concern being manifested by the people of San Francisco and as a heartfelt request that any avenues of assistance with which the City and County might become involved be suggested to the Mayor and the Chief Administrative Officer for implementation.

2 RESTRICTIONS ON THE AIR TRAVEL OF HANDICAPPED PERSONS

3
4 WHEREAS, The Federal Aviation Administration is considering
5 amending regulations concerning the passage of handicapped persons
6 on airplanes, which amendments would limit the total number of
7 handicapped persons an airplane could carry to the number of
8 emergency exits from that airplane, and which would further require
9 that handicapped persons be located as far as possible from these
10 exits and that they be spaced so that no two handicapped persons
11 would be leaving the airplane by the same exit; and

12 WHEREAS, Said regulations would have the positive effect of
13 assuring that an airline could not refuse passage to a single
14 individual merely because he or she was handicapped, but could
15 lead to situations where groups of individuals were denied passage
16 because a flight had its quota of handicapped persons; and
17 WHEREAS, These regulations would further require that
18 handicapped persons sit in window seats farthest from the aisles
19 and from the exits, and that two handicapped persons could not
20 sit together; and

21 WHEREAS, These regulations would constitute an unreasonable
22 hardship for handicapped persons in the United States, estimated

1 SUPPORTING THE LIFELINE CONCEPT FOR CONSUMERS OF GAS AND ELECTRICITY
2
3 WHEREAS, the cost of gas and electricity has risen sharply
4 since 1972, resulting in a substantial increase in cost to consumers;
5 and
6
7 WHEREAS, the current rate structures offer lower rates per unit
8 for large volume consumers of gas and electricity, and substantially
9 higher rates per unit for those who consume small amounts of gas
10 and electricity; and
11
12 WHEREAS, heat and light provided by gas and electricity are
13 basic human necessities, the cost of which should be within reach
14 of all consumers, and, in particular, the elderly, the poor and
15 others on fixed incomes who are least able to afford the rapidly
16 rising costs of gas and electricity, and whose fixed energy needs
17 do not allow them to decrease consumption; and
18
19 WHEREAS, a "Lifeline" rate providing basic gas and electricity
20 service for a low, flat, fixed fee available to all consumers would
21 particularly benefit the elderly, the poor, and those on fixed
22 incomes, and would help insure that small consumers could continue
23 to afford necessary amounts of gas and electricity; now, therefore,
24
25 be it
26
27 RESOLVED, that the Board of Supervisors of the City and County
28 of San Francisco does hereby support a re-structured rate system
29 which rewards energy conservation, and which includes a "Lifeline"
30 rate for all consumers of gas and electricity; and, be it
